PUBLICATIONS, PRESENTATIONS & COLLABORATORS 2009-10

THE GEORGE INSTITUTE
for Global Health

Peer-Reviewed Journals

- Ada L, **Sherrington C**, Canning CG, Dean CM, Scianni A. Computerized tracking to train dexterity after cerebellar tumour: a single-case experimental study. *Brain Injury*. 2009;23:702-6.
- AdRem Project Team and ADVANCE Management Committee. (Writing Committee: Beulens J, **Patel A**, Vingerling J, Cruickshank J, Hughes A, Stanton A, Lu J, Thom S, Grobbee D, Stolk R). Effects of blood pressure lowering and intensive glucose control on incidence and progression of retinopathy in patients with type 2 diabetes mellitus: a randomised controlled trial. *Diabetologia*. 2009;52(10):2027-36.
- Allen NE, **Sherrington C**, Canning CG, Fung VS. Reduced muscle power is associated with slower walking velocity and falls in people with Parkinson's disease. *Parkinsonism & Related Disorders*. 2010;16:261-4.
- Ameratunga S, Tin Tin S, Connor J, **Norton R**. Chronic neck pain following car crashes: a population-based study from Auckland, New Zealand. *Internal Medicine Journal*. 2009; [Epub ahead of print].
- Anderson CS**, Huang Y, Arima H, Heeley E, Skulina C, Parsons MW, Peng B, **Li Q**, Su S, Tao QL, Li YC, Jiang JD, Tai LW, Zhang JL, Xu E, Cheng Y, Morgenstern LB, **Chalmers J**, Wang JG. Effects of early intensive blood pressure lowering treatment on the growth of hematoma and perihematomal edema in acute intracerebral hemorrhage: the Intensive Blood Pressure Reduction in Acute Cerebral Haemorrhage Trial (INTERACT). *Stroke*. 2010;41:307-12.
- Anna V**, **Woodward M**. Frequency of migraine and the risk of cardiovascular disease for women: limited evidence of an association. *Womens Health*. 2009;5:625-8.
- Ansary-Moghaddam A, **Huxley R**, Lam T, **Woodward M**. The risk of upper aero digestive tract cancer associated with smoking, with and without concurrent alcohol consumption. *Mt Sinai Journal of Medicine*. 2009;76:392-403.
- ANZIC Influenza Investigators and Australasian Maternity Outcomes Surveillance System. (Writing Committee: Seppelt I, Sullivan S, **Bellomo R**, Ellwood D, **Finfer S**, Howe B, Knight M, McArthur C, McDonnell N, McLintock C, Morgan TJ, Morrison S, Nguyen N, Peek MJ, Pollock W, Vaughan G, Wang YA, Web SAR). Critical illness due to 2009 A/H1N1 influenza in pregnant and postpartum women: population based cohort study. *British Medical Journal*. 2010;340:c1279.
- Arima H**, **Anderson C**, Omae T, Liu L, Tzourio C, **Woodward M**, **MacMahon S**, **Neal B**, **Rodgers A**, **Chalmers J**. Perindopril-based blood pressure lowering reduces major vascular events in Asian and Western participants with cerebrovascular disease: the PROGRESS trial. *Journal of Hypertension*. 2010;28:395-400.
- Arima H**, Tanizaki Y, Yonemoto K, Doi Y, **Ninomiya T**, Hata J, Fukuhara M, Matsumura K, Iida M, Kiyohara Y. Impact of blood pressure levels on different types of stroke: the Hisayama study. *Journal of Hypertension*. 2009;27:2437-43.
- Arima H**, Tzourio C, **Anderson C**, **Woodward M**, Boussier MG, **MacMahon S**, **Neal B**, **Chalmers J**. Effects of perindopril-based lowering of blood pressure on intracerebral hemorrhage related to amyloid angiopathy: the PROGRESS trial. *Stroke*. 2010;41:394-6.
- Arima H**, Wang JG, Huang Y, Heeley E, Skulina C, Parsons MW, Peng B, **Li Q**, Su S, Tao QL, **Li YC**, Jiang JD, Tai LW, Zhang JL, Xu E, Cheng Y, Morgenstern LB, **Chalmers J**, **Anderson CS**. Significance of perihematomal edema in acute intracerebral hemorrhage: the INTERACT trial. *Neurology*. 2009;73:1963-8.
- Asia Pacific Cohort Studies Collaboration. (Writing Committee, **Huxley R**, Nakamura K, Lam T, **Barzi F**, Whitlock G, Batty D, **Czernichow S**, Ueshima H, Kim H, Wong J, Fang X, Feigin V, **Woodward M**). Impact of cigarette smoking on the relationship between body mass index and coronary heart disease: 3264 stroke and 2706 CHD events in 378579 individuals in the Asia Pacific region. *BMC Public Health*. 2009;13:294.
- Baber U, Mann D, Shimbo D, **Woodward M**, Olin J, Muntner P. Combined role of reduced estimated glomerular filtration rate and microalbuminuria on the prevalence of peripheral arterial disease. *American Journal of Cardiology*. 2009;104:1446-51.
- Badve SV, Beller E, **Cass A**, Francis DP, Hawley C, Maccodgall IC, **Perkovic V**, Johnson DW. Interventions for erythropoietin-resistant anaemia in dialysis patients. Protocol. *Cochrane Database of Systematic Reviews*. 2010; Issue 1.
- Barclay J, Miller B, Dick S, Dennekamp M, Ford I, **Hillis G**, Ayres J, Seaton A. A panel study of air pollution in subjects with heart failure: negative results in treated patients. *Occupational and Environmental Medicine*. 2009;66:325-34.
- Barker-Collo SL, Feigin VL, Lawes CM, Parag V, Senior H, **Rodgers A**. Reducing attention deficits after stroke using attention process training: a randomized controlled trial. *Stroke*. 2009;40:3293-8.
- Barzi F**, **Woodward M**, **Czernichow S**, **Lee C**, Kang J, Janus E, Lear S, **Patel A**, Caterson I, Patel J, Lam TH, Suriyawongpaisal P, **Huxley R**. The discrimination of dyslipidaemia using anthropometric measures in ethnically diverse populations of the Asia Pacific Region: The Obesity in Asia Collaboration. *Obesity Reviews*. 2010;11(2):127-36.
- Batty G, Shipley M, Gunnell D, **Huxley R**, Kimivaki M, **Woodward M**, **Lee C**, Smith G. Height, wealth, and health: An overview with new data from three longitudinal studies. *Economics and Human Biology*. 2009;7:137-52.
- Batty GD, **Barzi F**, **Huxley R**, Chang CY, Jee SH, Jamrozik K, Kim HC, Fang X, Lam TH, **Woodward M**. Obesity and liver cancer mortality in Asia: The Asia Pacific Cohort Studies Collaboration. *Cancer Epidemiology*. 2009;33:469-72.
- Batty GD, **Barzi F**, **Woodward M**, Jamrozik K, Woo J, Kim HC, Ueshima H, **Huxley RR**. Adult height and cancer mortality in Asia: the Asia Pacific Cohort Studies Collaboration. *Annals of Oncology*. 2010;21:646-54.
- Bellomo R**, **Cass A**, Cole L, **Finfer S**, **Gallagher M**, Lo S, McArthur C, McGuinness S, **Myburgh J**, **Norton R**, Scheinkestel C, **Su S**. Intensity of continuous renal-replacement therapy in critically ill patients. *New England Journal of Medicine*. 2009;361:1627-38.
- Bellomo R**, Morimatsu H, Presneil J, French C, Cole L, Story D, Uchino S, Naka T, **Finfer S**, Cooper DJ, **Myburgh J**. Effects of saline or albumin resuscitation on standard coagulation tests. *Critical Care and Resuscitation*. 2009;11:250-6.
- Boswell-Ruys C, Sturmeiks D, Harvey L, **Sherrington C**, Middleton J, Lord S. Validity and reliability of assessment tools for measuring unsupported sitting in people with a spinal cord injury. *Archives of Physical Medicine and Rehabilitation*. 2009;90:1571-7.
- Boufous S**, **Ivers R**, **Senserrick T**, **Norton R**, **Stevenson M**, **Chen HY**, Lam LT. Risky driving behavior and road traffic crashes among young Asian Australian drivers: findings from the DRIVE study. *Traffic Injury Prevention*. 2010;11:222-7.
- Brock K, Graubard B, Fraser D, Weinstein S, Stolzenberg-Solomon R, Lim U, Tangrea J, Virtamo J, **Ke L**, Snyder K, Albanes D. Predictors of vitamin D biochemical status in a large sample of middle-aged male smokers in Finland. *European Journal of Clinical Nutrition*. 2010;64(3):280-8.
- Brock K, Huang W, Fraser D, **Ke L**, Tseng M, Stolzenberg-Solomon R, Peters U, Ahn J, Purdue M, Mason R, McCarty C, Ziegler R, Graubard B. Low vitamin D status is associated with physical inactivity, obesity and low vitamin D intake in a large US sample of healthy middle-aged men and women. *The Journal of Steroid Biochemistry and Molecular Biology*. 2010;121:462-6.

- Broderick CR, Herbert RD, Latimer J, Curtin JA.** Fitness and quality of life in children with haemophilia. *Haemophilia*. 2010;16:118-23.
- Brugts J, Isaacs A, Boersma E, van Duijn C, Uitterlinden A, Remme W, Bertrand M, **Ninomiya T**, Ceconi C, **Chalmers J**, **MacMahon S**, Fox K, Ferrari R, Witteman J, Danser AH, Simoons M, de Maat M. Genetic determinants of treatment benefit of the angiotensin-converting enzyme-inhibitor perindopril in patients with stable coronary artery disease. *European Heart Journal*. 2010; [Epub ahead of print].
- Butler A, Menant J, **Tiedemann A**, Lord S. Age and gender differences in seven tests of functional mobility. *Journal of Neuroengineering and Rehabilitation*. 2009;6:31.
- Cadilhac DA, Lannin NA, **Anderson CS**, Levi CR, Faux S, Price C, Middleton S, Lim J, Thrift AG, Donnan GA. Protocol and pilot data for establishing the Australian Stroke Clinical Registry. *International Journal of Stroke*. 2010;5:217-26.
- Chadban S, Howell M, Twigg S, Thomas M, Jerums G, **Cass A**, Campbell D, Nicholls K, Tong A, Mangos G, Stack A, McIsaac R, Giris S, Colagiuri R, Colagiuri S, Craig J. Assessment of kidney function in type 2 diabetes. *Nephrology*. 2010;15(S1):S146-61.
- Chadban S, Howell M, Twigg S, Thomas M, Jerums G, **Cass A**, Campbell D, Nicholls K, Tong A, Mangos G, Stack A, McIsaac R, Giris S, Colagiuri R, Colagiuri S, Craig J. Prevention and/or management of chronic kidney disease in type 2 diabetes. *Nephrology*. 2010;15(S1):S162-94.
- Chadban S, Howell M, Twigg S, Thomas M, Jerums G, **Cass A**, Campbell D, Nicholls K, Tong A, Mangos G, Stack A, McIsaac R, Giris S, Colagiuri R, Colagiuri S, Craig J. Cost-effectiveness and socioeconomic implications of prevention and management of chronic kidney disease in type 2 diabetes. *Nephrology*. 2010;15(S1):S195-205.
- Chalmers J, Arima H.** Importance of blood pressure lowering in type 2 diabetes: focus on ADVANCE. *Journal of Cardiovascular Pharmacology*. 2010;55:340-7.
- Chan R, Brooks R, **Gallagher M**, Erlich J, Snelling P, Chow J, Suranyi M. Measuring kidney disease-related loss in the samples of pre-dialysis and dialysis patients: validating the kidney disease loss scale. *Clinical Journal of the American Society of Nephrology*. 2010; [Epub ahead of print].
- Chen HY, Ivers RQ, Martiniuk AL, Boufous S, Senserrick T, Woodward M, Stevenson M, Norton R.** Socioeconomic status and risk of car crash injury, independent of place of residence and driving exposure: results from the DRIVE Study. *Journal of Epidemiology and Community Health*. 2010; [Epub ahead of print].
- Chen HY, Ivers RQ, Martiniuk AL, Boufous S, Senserrick T, Woodward M, Stevenson M, Williamson A, Norton R.** Risk and type of crash among young drivers by rurality of residence: findings from the DRIVE Study. *Accident Analysis & Prevention*. 2009;41(4): 676-82.
- Chen HY, Senserrick T, Chang HY, Ivers RQ, Martiniuk AL, Boufous S, Norton R.** Road crash trends for young drivers in New South Wales, Australia, from 1997 to 2007. *Traffic Injury Prevention*. 2010;11:8-15.
- Chen HY, Senserrick T, Martiniuk AL, Ivers RQ, Boufous S, Chang HY, Norton R.** Fatal crash trends for Australian young drivers 1997-2007: geographic and socioeconomic differentials. *Journal of Safety Research*. 2010;41:123-8.
- Chen J, **Bellomo R**, Hillman K, Flabouris A, **Finfer S.** Triggers for emergency team activation: a multicenter assessment. *Journal of Critical Care*. 2010;25:359 e1-7.
- Chen J, Flabouris A, **Bellomo R**, Hillman K, **Finfer S.** Baseline hospital performance and the impact of medical emergency teams: modelling vs. conventional subgroup analysis. *Trials*. 2009;10:117.
- China QUEST Investigators. (Writing Committee: **Wei JW, Arima H, Huang Y**, Wang JG, Yang Q, Liu Z, Liu M, Lu C, **Heeley EL, Anderson CS**). Variation in the frequency of intracerebral haemorrhage and ischaemic stroke in China: a national, multicentre, hospital register study. *Cerebrovascular Diseases*. 2010;29:321-7.
- Chow C, Joshi R**, Gottumukkala A, Raju K, Raju R, Reddy S, **MacMahon S, Neal B.** Rationale and design of the Rural Andhra Pradesh Cardiovascular Prevention Study (RAPCAPS): a factorial, cluster-randomized trial of 2 practical cardiovascular disease prevention strategies developed for rural Andhra Pradesh, India. *American Heart Journal*. 2009;158:349-55.
- Chow CK**, Jolly S, Rao-Melacini P, Fox KA, Anand SS, Yusuf S. Association of diet, exercise, and smoking modification with risk of early cardiovascular events after acute coronary syndromes. *Circulation*. 2010;121:750-8.
- Chow CK**, Lock K, Teo K, Subramanian SV, McKee M, Yusuf S. Environmental and societal influences acting on cardiovascular risk factors and disease at a population level: a review. *International Journal of Epidemiology*. 2009;38:1580-94.
- Chow CK**, Moayyedi P, Devereaux PJ. Is it safe to use a proton pump inhibitor with clopidogrel? *Polskie Archiwum Medycyny Wewnetrznej*. 2009;119:564-8.
- Clarke E, Martin J, Herbert R.** Assumption of a 'gravity only region' for gravity correction of passive joint moment data may be problematic. *Journal of Biomechanics*. 2010; [Epub ahead of print].
- Clarke PM, Glasziou P, **Patel A, Chalmers J, Woodward M**, Harrop SB, Salomon JA. Event rates, hospital utilization, and costs associated with major complications of diabetes: a multicountry comparative analysis. *PLoS Medicine*. 2010;7:e1000236.
- CONTROL Group. (Writing Committee: **Turnbull F**, Abaira C, Anderson R, Byington R, **Chalmers J**, Duckworth W, Evans G, Gerstein H, Holman R, Mortiz T, **Neal B, Ninomiya T, Patel A**, Paul S, Travert F, **Woodward M**). Intensive glucose control and macrovascular outcomes in type 2 diabetes. *Diabetologia* 2009;52:2288-98.
- Cook D, Burns K, **Finfer S**, Kissoon N, Bhagwanjee S, Annane D, Sprung CL, Fowler R, Latronico N, Marshall J. Clinical research ethics for critically ill patients: a pandemic proposal. *Critical Care Medicine*. 2010;38:e138-42.
- Costa L, Maher C, Latimer J, Hodges P, Herbert R**, Refshauge K, **McAuley J, Jennings M.** Motor control exercise for chronic low back pain: a randomized placebo-controlled trial. *Physical Therapy*. 2009;89:1275-86.
- Costa LO, Maher CG, Moseley AM, Sherrington C, Herbert RD, Elkins MR.** Endorsement of trial registration and the CONSORT statement by the Revista Brasileira de Fisioterapia. *Revista Brasileira de Fisioterapia*. 2010;14:v-vi.
- Cuthbertson BH, Crael BL, Rae D, Gibson PH, McNeilly JD, Jeffrey RR, Smith WC, Prescott GJ, Buchan KG, El-Shafei H, Gibson GA, **Hillis GS.** N-terminal pro-B-type natriuretic peptide levels and early outcome after cardiac surgery: a prospective cohort study. *British Journal of Anaesthesia*. 2009;103:647-53.
- Czernichow S, Kengne AP, Huxley RR**, Batty GD, de Galan B, Grobbee D, Pillai A, **Zoungas S, Marre M, Woodward M, Neal B, Chalmers J**, on behalf of the ADVANCE Collaborative Group. Comparison of waist-to-hip ratio and other obesity indices as predictors of cardiovascular disease risk in people with type 2 diabetes: a prospective cohort study from ADVANCE. *European Journal of Cardiovascular Prevention and Rehabilitation*. 2010; [Epub ahead of print].
- Czernichow S, Lee C, Barzi F, Greenfield J, Baur L, Chalmers J, Woodward M, Huxley R.** Efficacy of weight loss drugs on obesity and cardiovascular risk factors in obese adolescents: a meta-analysis of randomised controlled trials. *Obesity Reviews*. 2010;11(2):150-8.

- Czernichow S, Ninomiya T, Huxley R, Kengne AP, Batty GD, Grobbee DE, Woodward M, Neal B, Chalmers J.** Impact of blood pressure lowering on cardiovascular outcomes in normal weight, overweight, and obese individuals: the Perindopril Protection Against Recurrent Stroke Study trial. *Hypertension*. 2010;55:1193-8.
- Czernichow S, Vergnaud AC, Galan P, Arnaud J, Favier A, Faure H, Huxley R, Herberg S, Ahluwalia N.** Effects of long-term antioxidant supplementation and association of serum antioxidant concentrations with risk of metabolic syndrome in adults. *American Journal of Clinical Nutrition*. 2009;90:329-35.
- Czernichow S, Zanchetti A, Turnbull F, Barzi F, Ninomiya T, Kengne AP, Lambers Heerspink HJ, Perkovic V, Huxley R, Arima H, Patel A, Chalmers J, Woodward M, MacMahon S, Neal B,** on behalf of the Blood Pressure Lowering Treatment Trialists' Collaboration. The effects of blood pressure reduction and of different blood pressure lowering regimens on major cardiovascular events according to baseline blood pressure: meta-analysis of randomized trials. *Journal of Hypertension*. 2010;[Epub ahead of print].

Conference Presentations

CRAIG ANDERSON

The rewards and challenges of research in China. Sleep and Circadian Research Meeting (Woolcock Institute). Sydney, Australia, April 2010.

Assessment and management of the non-physical components of stroke. Stroke Clinical Network Forum. Brisbane, Australia, April 2010.

Medical treatment of acute intracerebral hemorrhage. International Stroke Conference. San Antonio, USA, February 2010.

The second, main phase, of the Intensive Blood Pressure Reduction in Acute Cerebral Haemorrhage Trial (INTERACT2): progress update. International Stroke Conference. San Antonio, USA, February 2010.

Establishment of the new Australian Clinical Stroke Registry (AuSCR) Clinical Trials in stroke. 11th Statewide Stroke Clinical Network Forum. Brisbane, Australia, October 2009.

Collaborative International Research. Royal Prince Alfred Hospital Reunion Week. Sydney, Australia, August 2009.

Stroke as a medical emergency. Royal Prince Alfred Hospital Reunion Week. Sydney, Australia, August 2009.

Trials and tribulations of the conduct of academic clinical trials in China: experience in the area of stroke. 2nd Sino-Australian Symposium. Sydney, Australia, August 2009.

Disparities in secondary prevention between cardiac and stroke patients. Sanofi-Aventis Neuro Event. Sydney, Australia, July 2009.

HISATOMI ARIMA

Effects of blood pressure levels at presentation and those achieved during the first 24 hours on haematoma growth in acute intracerebral haemorrhage: the INTERACT trial. High Blood Pressure Research Council of Australia annual scientific meeting 2009. Sydney, Australia, December 2009.

Effects of early intensive blood pressure lowering on haematoma growth in acute intracerebral haemorrhage according to time from onset to treatment: the INTERACT study. The 32nd Annual Scientific Meeting of the Japanese Society of Hypertension. Otsu, Japan, October 2009.

LAURENT BILLOT

Clinical Management Online: Electronic Data Capture (EDC) and Management. eHealth – The Modern Age Healthcare. Sydney, Australia, November 2009.

SOUFIANE BOUFOUS

Ethnicity, risky driving behaviour and road traffic crashes: findings from the DRIVE Study. National Conference on Injury Prevention and Safety Promotion. Melbourne, Australia, July 2009.

ALAN CASS

Diabetic kidney disease: epidemiology and prevention. Endocrine Society of Australia Annual Scientific Meeting. Wollongong, Australia, May 2010.

Domestic and international research collaborations in chronic kidney disease. World Congress of Internal Medicine. Melbourne, Australia, March 2010.

Economics of home-based dialysis therapies. 3rd Australia and New Zealand Home Therapies Workshop. Brisbane, Australia, February 2010.

Diabetes, heart and kidney disease: the health reform challenge we must address. Australian Diabetes Educator Association ACT Branch Conference. Canberra, Australia, February 2010.

Public hospitals and medical research – Where now? St George Hospital Medical Research Symposium. Sydney, Australia, November 2009.

Intensity of Renal Replacement Therapy in Critically ill Patients: the Randomised Evaluation of Normal versus Augmented Level Renal Replacement Therapy (RENAL) study. Late-breaking Clinical Trials Plenary Session. Annual Scientific Meeting of the American Society of Nephrology. San Diego, USA, October/November 2009.

The RENAL study – Randomised Evaluation of Normal versus Augmented Levels of Renal Replacement Therapy in Severe Acute Kidney Injury. Kidney Health Australia Clinical Research Award Session. 45th Annual Scientific Meeting of the Australia and New Zealand Society of Nephrology. Hobart, Australia, September 2009.

Rationale and design of the ACTIVE Dialysis trial: a multi-centre, unblinded, randomised controlled trial of extended vs standard duration of dialysis in patients with end-stage kidney disease. 2nd Congress of the International Society for Haemodialysis. Hong Kong, August 2009.

Global challenges in the provision of renal care. 2nd Congress of the International Society for Haemodialysis. Hong Kong, August 2009.

Leadership in research and medicine in Aboriginal health and chronic disease. Sydney University Medical Society Leadership Forum. Sydney, Australia, August 2009.

Participation of Indigenous Australians in cardiovascular trials: Making it happen. Cardiac Society of Australia and New Zealand Annual Scientific Meeting. Sydney, Australia, August 2009.

JOHN CHALMERS

Optimal hypertension management with Preterax. Satellite Symposium on Maximizing Benefits in Hypertension Management with Preterax. 20th European Meeting on Hypertension, European Society of Hypertension (ESH). Oslo, Norway, June 2010.

The importance of blood pressure lowering in type 2 diabetes: focus on ADVANCE. 13th Annual Meeting of the Institute of Cardiovascular Medicine & Science. Hong Kong, December 2009.

Does blood glucose lowering reduce cardiovascular outcomes – a perspective on the trials. Asia Pacific Conference on the Metabolic Syndrome. Melbourne, Australia, November 2009.

New Results from ADVANCE. Mainline Symposium on Latest Clinical Trials. 20th World Diabetes Congress. Montreal, Canada, October 2009.

ADVANCE: new results of the intensive Diamicon MR-based strategy. Satellite Symposium to the 20th World Diabetes Congress. Montreal, Canada, October 2009.

Cognitive function and risk of cardiovascular disease and hypoglycaemia among patients with type 2 diabetes in ADVANCE. 19th International Association of Gerontology and Geriatrics World Congress. Paris, France, July 2009.

Older patients with type 2 diabetes derive substantial benefits from blood pressure lowering with perindopril-indapamide. 19th International Association of Gerontology and Geriatrics World Congress. Paris, France, July 2009.

TOM CHEN

Socioeconomic status and risk of car crash injury: results from the DRIVE study. Road Safety Research, Education and Policing Conference. Sydney, Australia, November 2009.

LEONARDO COSTA

Motor control exercise for chronic low back pain: a randomised, placebo-controlled trial. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

Prognostic factors in chronic low back pain patients: inception cohort study. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

Reproducibility of rehabilitative ultrasound imaging for the measurement of abdominal muscle activity: a systematic review. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

ZHAOHUI CUI

Community interventions for child obesity prevention. World Congress of Cardiology Scientific Sessions. Beijing, China, June 2010.

Temporal trends in overweight and obesity of children and adolescents from nine provinces in China from 1991 to 2006. 19th International Congress of Nutrition. Bangkok, Thailand, October 2009.

CANDICE DELCOURT

Determinants of quality of life after stroke in China. Combined Meeting of the 6th Asia Pacific Conference Against Stroke and the 20th Stroke Society of Australasia Annual Scientific Meeting. Cairns, Australia, September 2009.

The second intensive blood pressure reduction in acute intracerebral haemorrhage trial (INTERACT2) update. 6th Asia Pacific Conference Against Stroke. Cairns, Australia, September 2009.

JOANNA DIONG

Passive mechanical properties of gastrocnemius muscles of spinal cord injured patients with ankle contractures. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

XIN DU

Data presentation to develop a non-laboratory-based cardiovascular risk prediction model among Chinese population. World Congress of Cardiology Scientific Sessions. Beijing, China, June 2010.

Identifying barriers toward implementing absolute cardiovascular risk assessment tools in primary care setting. World Congress of Cardiology Scientific Sessions. Beijing, China, June 2010.

Monitoring of liver function in patients using statin and its consequences to therapy adherence. World Congress of Cardiology Scientific Sessions. Beijing, China, June 2010.

Treatment of atrial fibrillation during pregnancy. World Congress of Cardiology Scientific Sessions. Beijing, China, June 2010.

ELIZABETH DUNFORD

Monitoring sodium reduction in Australian processed foods. 8th International Food Databank Conference. Bangkok, Thailand, October 2009.

Progress with reducing salt in the Australian food supply. Emerging Health Policy Conference. Sydney, Australia, August 2009.

NICOLA FAIRHALL

Measurement of participation restriction in older people. 8th National Conference of Emerging Researchers in Ageing. Melbourne, Australia, October 2009.

Participation restriction: nature, extent and associated factors in frail, community-dwelling older people. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

MANUELA FERREIRA

Can we explain heterogeneity among exercise randomised clinical trials in chronic low back pain? A meta-regression of randomised controlled trials. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

Factors defining care-seeking in low back pain – a meta-analysis of population based surveys. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

Smallest worthwhile effect of interventions for low back pain. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

Patients beliefs and experiences. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

SIMON FINFER

My experience with H1N1. 30th International Symposium on Intensive Care and Emergency Medicine. Brussels, Belgium, March 2010.

Literature interpretation. 30th International Symposium on Intensive Care and Emergency Medicine. Brussels, Belgium, March 2010.

Subgroup analysis: used, abused, misunderstood. 30th International Symposium on Intensive Care and Emergency Medicine. Brussels, Belgium, March 2010.

International variation in the use of intravenous fluids. 30th International Symposium on Intensive Care and Emergency Medicine. Brussels, Belgium, March 2010.

Albumin in patients with sepsis and traumatic brain injury. 30th International Symposium on Intensive Care and Emergency Medicine. Brussels, Belgium, March 2010.

Hypoglycemia in the NICE-SUGAR study. 30th International Symposium on Intensive Care and Emergency Medicine. Brussels, Belgium, March 2010.

Corticosteroids in septic shock – why I don't use them. 30th International Symposium on Intensive Care and Emergency Medicine. Brussels, Belgium, March 2010.

How to know what "works" in sepsis: understanding strength and weakness in clinical research. 30th International Symposium on Intensive Care and Emergency Medicine. Brussels, Belgium, March 2010.

Glucose control in critical care. Canadian Critical Care Conference. Whistler, Canada, March 2010.

Papers that changed practice in 2010. Canadian Critical Care Conference. Whistler, Canada, March 2010.

Medicolegal issues in critical care – the expert witness view. Canadian Critical Care Conference. Whistler, Canada, March 2010.

The Gillian Hanson Lecture: ICU Research – A journey through the looking glass. Intensive Care Society State of the Art Meeting. London, UK, December 2009.

The Intensive Care Ashes: why Australia won. Intensive Care Society State of the Art Meeting. London, UK, December 2009.

The NICE-SUGAR study. Intensive Care Society State of the Art Meeting. London, UK, December 2009.

Update on clinical trials – the NICE-SUGAR study. Sepsis International Symposium. Amsterdam, the Netherlands, November 2009.

JAVIER GUZMAN

Global funding of innovation for neglected diseases (G-FINDER). Annual Forum of the Global Forum for Health Research. Havana, Cuba, November 2009.

Understanding the challenges of technology transfer from a country perspective. Annual Forum of the Global Forum for Health Research. Havana, Cuba, November 2009.

MAREE HACKETT

Single questions to screen for depression miss important negative cognitions. Combined Meeting of the 6th Asia Pacific Conference Against Stroke and the 20th Stroke Society of Australasia Annual Scientific Meeting. Cairns, Australia, September 2009.

ROB HERBERT

A pragmatic randomised trial of stretching before and after physical activity to prevent injury and soreness. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

STEPHANE HERITIER

Two-stage seamless adaptive designs: the Hemangioma study. Australian Biopharmaceutical Statistics Group Meeting. Sydney, Australia, December 2009.

Two-stage adaptive design with dose selection and non-inferiority comparison to a standard treatment. International Meeting on Recent Advances & Trends in Statistics Applied to Clinical Trials. Paris, France, September 2009.

GRAHAM HILLIS

Heart rate in heart failure. Australian Atherosclerosis Society/ International Society for Vascular Health Combined Scientific Session. Melbourne, Australia, October 2009.

Large artery disease: biomarkers and medication. Australian Atherosclerosis Society / International Society for Vascular Health Combined Scientific Session. Melbourne, Australia, October 2009.

REBECCA IVERS

Indigenous status and risk of motor vehicle crash: the DRIVE study. 9th National Conference on Injury Prevention and Safety Promotion. Melbourne, Australia, July 2009.

Motor vehicle crashes in Indigenous youth in New South Wales, Australia: the DRIVE study. 9th National Conference on Injury Prevention and Safety Promotion. Melbourne, Australia, July 2009.

STEPHEN JAN

The role of health insurance in addressing economic hardship following stroke in China. International Health Economics Association Conference. Beijing, China, July 2009.

Harmonising value of information methods with decision making in practice – organised session. International Health Economics Association Conference. Beijing, China, July 2009.

STEVE KAMPER

Low back pain and disability scores in ‘completely recovered’ patients. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

LIANG KE

Behavioral and clinical effectiveness of community-based individualised lifestyle intervention among diabetic and hypertensive Chinese adults. World Congress of Cardiology Scientific Sessions. Beijing, China, June 2010.

LISA KEAY

Urban and rural differences in older drivers – failure to stop at stop-signs. The Eye and the Auto. Detroit, USA, September 2009.

A multi-site study evaluating fungal keratitis in the US 2001-2007. International Society for Contact Lens Researchers Biennial Meeting. Crete, Greece, August 2009.

Driving errors influence an older drivers’ decision to give up or restrict driving. 9th National Conference on Injury Prevention and Safety Promotion. Melbourne, Australia, July 2009.

LIKHIM KWAH

Passive mechanical properties of gastrocnemius muscle and tendon in stroke patients with contracture. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

JANE LATIMER

Conducting RCTs: real world considerations. American Physical Therapy Association Combined Sections Meeting. San Diego, USA, February 2010.

Yajilarra. To dream: Aboriginal women leading change in remote Australia. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

Indigenous health and the Fitzroy Valley. Rotary Combined Districts Conference. Sydney, Australia, October 2009.

Key issues for different older populations: working with Aboriginal women. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

Alcohol in Indigenous communities. University of NSW Indigenous Law Centre Open Forum. Sydney, Australia, September 2009.

NICOLE LI

Action on salt and health: an evidence-based advocacy approach to make salt reduction a national priority in China. World Hypertension Congress. Beijing, China, October 2009.

CHRISTINE LIN

Introducing PEDro: The Physiotherapy Evidence Database. 11th National Congress of the Chinese Society of Physical Medicine and Rehabilitation. Shenyang, China, November 2009.

Physiotherapy interventions for non-specific low back pain – value for money? Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

5 x 5 Session 4 – hip, knee, lower limb kinematics. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

Treatments for back pain: are they worthwhile? University of Sydney Early Career Research Showcase. Sydney, Australia, September 2009.

What do we use as our inclusion criteria when investigating insufficiencies and implementing interventions for subjects with chronic ankle instability (CAI)? The 4th International Ankle Symposium. Sydney, Australia, July 2009.

Predicting activity limitation after ankle fracture. The 4th International Ankle Symposium. Sydney, Australia, July 2009.

New dimensions in the Clinic Session 2. The 4th International Ankle Symposium. Sydney, Australia, July 2009.

MARILYN LYFORD

Safety promotion capacity building in Australian Indigenous communities – a partnership program. 9th National Conference on Injury Prevention and Safety Promotion. Melbourne, Australia, July 2009.

LUCIANA MACEDO

Graded activity and graded exposure for persistent non specific low back pain: a systematic review. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

CHRIS MAHER

Management of back pain in primary care. Pharmacy Expo 2010. Sydney, Australia, June 2010.

Diagnosis and prognosis of low back pain. Are current guidelines too simple? American Physical Therapy Association Combined Sections Meeting. San Diego, USA, February 2010.

How to design and conduct RCTs: real-world considerations. American Physical Therapy Association Combined Sections Meeting. San Diego, USA, February 2010.

STEPHEN MACMAHON

The role of academic health centres in developing global health priorities. John P. McGovern Award Lecture. Association of Academic Health Centers International Forum. Washington DC, USA, March 2010.

The global burden of chronic diseases. First Annual Beijing Forum on the Prevention and Management of Chronic Disease. Beijing, China, November 2009.

Effects of existing interventions for cardiovascular disease prevention and treatment. Global Alliance for Chronic Disease Scientific Meeting. New Delhi, India, November 2009.

Cardiovascular disease crisis in the developing world. The Chancellor's Lecture Series, Duke Medical Center. Durham, USA, September 2009.

Cardiovascular disease in the developing world. Symposium: Genetic Epidemiology and Cardiovascular Disease, the University of Oxford. Oxford, UK, July 2009.

ALEX MARTINIUK

Coordination of health aid in the Solomon Islands. Australian Association for the Advancement of Pacific Studies (AAAPS). Melbourne, Australia, April 2010.

Lightning talk and network walk. Annual Forum of the Global Forum for Health Research. Havana, Cuba, November 2009.

ALINA MCDONALD

Fighting neglected diseases with innovation – the past, present and future. Cambridge International Development Course, Cambridge, UK, May 2010

ZOE MICHALEFF

Design of a randomised clinical trial of a combined exercise treatment for chronic whiplash. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

MARY MORAN

G-FINDER and implications of US Funders. Global Health Technologies Coalition. Washington DC, USA, October 2009.

Global funding of R&D to treat neglected diseases and G-FINDER survey. Neglected Diseases Forum: Progress, Current Challenges and Promising Approaches. Washington DC, USA, October 2009.

ANNE MOSELEY

Reported quality of randomised controlled trials of physiotherapy interventions has improved over time. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

JOHN MYBURGH

The Crystalloid versus Hydroxyethyl Starch Trial (CHEST). Australian and New Zealand Intensive Care Society Clinical Trials Group Annual Meeting. Noosa, Australia, March 2010.

SAFE TBI II – results. Australian and New Zealand Intensive Care Society Clinical Trials Group Annual Meeting. Noosa, Australia, March 2010.

What fluid should I use for resuscitation? World Congress of Internal Medicine. Melbourne, Australia, March 2010.

Development of a clinical algorithm for intracranial hypertension: the Brain Trauma Foundation consensus process. Scottish Intensive Care Society Annual Scientific Meeting. St Andrews, UK, January 2010.

Evidence for the use of vasopressors in critically ill patients. Scottish Intensive Care Society Annual Scientific Meeting. St Andrews, UK, January 2010.

Optimising glycaemic control in critically ill patients. Annual Scientific Meeting in Anaesthesiology. Hong Kong College of Anaesthesiology and Society of Anaesthesia. Hong Kong, October 2009.

Determining the optimal dose of renal replacement therapy in critically ill patients. Annual Scientific Meeting in Anaesthesiology. Hong Kong College of Anaesthesiology and Society of Anaesthesia. Hong Kong, October 2009.

Evidence for the use of vasopressors in critically ill patients. Annual Scientific Meeting in Anaesthesiology. Hong Kong College of Anaesthesiology and Society of Anaesthesia. Hong Kong, October 2009.

Development of a clinical algorithm for intracranial hypertension: the Brain Trauma Foundation consensus process. Australian and New Zealand Intensive Care Society New South Wales Regional Meeting. Sydney, Australia, September 2009

Why we need the CHEST trial on the safety and efficacy of 6% hydroxyethyl starch 130/0.4. 4th International Congress of the German Sepsis Society. Weimar, Germany, September 2009.

Albumin in sepsis – an in depth analysis of the SAFE Study. 4th International Congress of the German Sepsis Society. Weimar, Germany, September 2009.

Vasoactive agents in critically ill patients. Combined Congress of the Critical Care Society of South Africa and the South African Thoracic Society. Sun City, South Africa, August 2009.

Large-scale studies on intensive insulin therapy in critically ill patients. Combined Congress of the Critical Care Society of South Africa and the South African Thoracic Society. Sun City, South Africa, August 2009.

Priorities in management of traumatic brain injury. Combined Congress of the Critical Care Society of South Africa and the South African Thoracic Society. Sun City, South Africa, August 2009.

BRUCE NEAL

Treatment and prevention of cardiovascular diseases in developed and developing country settings – health transition in rural India. Surfer's Medical Association Australia 17th Multi-Focused Indian Ocean Medical Symposium. Exchanging Knowledge and Experiences. Providing Aid to Those in Need. Chaaya Island, Maldives, April 2010.

Can you do what you want to do? AstraZeneca Cardiovascular Specialist Symposium. Sydney, Australia, February 2010.

Making and interpreting blood pressure measurements. Philippine Society of Hypertension (PSH) & Asian Pacific Society of Atherosclerosis and Vascular Diseases (APSAVD). Manila, the Philippines, February 2010.

The strengths and weaknesses of blood pressure monitoring. Malaysian Society of Hypertension. Kuala Lumpur, Malaysia, January 2010.

How should women at risk be managed? Malaysian Society of Hypertension. Kuala Lumpur, Malaysia, January 2010.

National sodium reduction strategies and policies: experience from Australia. Global Cardiovascular Health Division for Heart Disease and Stroke Prevention. National Center for Chronic Disease Prevention and Health Promotion Meetings. Atlanta, USA, December 2009.

Should you be eating that much s**t? (salt). Wollongong Branch of the Nutrition Society of Australia dinner. Wollongong, Australia, October 2009.

Should you be eating that much s**t? (salt). Australian Academy of Science Symposium. Sydney, Australia, August 2009.

Tight glycaemic control and cardiovascular death in diabetes. 57th Annual Scientific Meeting of the Cardiac Society of Australia and New Zealand. Sydney, Australia, August 2009.

Why we should reduce dietary salt. The George Institute, India. Hyderabad, India, August 2009.

Salt substitution in China. Harvard Initiative for Global Health. Chronic and Cardiovascular Diseases Working Group Meeting. Boston, USA, July 2009.

Setting the scene – salt and ill health. International Life Sciences Institute, Southeast Asia Region – Australasia Symposium. The Science of Salt: Industry, Innovation and Best Practice in Reducing Salt in Foods. Sydney, Australia, July 2009.

BP measurement. Cardiovascular Disease in Developing Countries – Moving Forward. Boston, USA, July 2009.

ROBYN NORTON

ICMR, University of Sydney and George Institute – scope for collaboration. Workshop on Adolescent Obesity and Diabetes. Indian Council of Medical Research, Ministry of Health & Family Welfare, Government of India, & the University of Sydney and The George Institute. Hyderabad, India, February 2010.

Road Traffic Injuries Research Network multi-country study on motorcycle helmets: capacity building for research. Building and Road Research Institute and Road Traffic Injuries Research Network. Accra, Ghana, December 2009.

Providing evidence to guide the health care reform agenda: international experience. Health Policy Roundtable. Ministry of Health Bureau of Disease Control and The George Institute, China. Beijing, China, November 2009.

Chronic diseases and injuries: a major but neglected component of the global health agenda. Global Health Day, the University of Sydney. Sydney, Australia, August 2009.

ANUSHKA PATEL

Impact of glucose control on macrovascular and microvascular disease: insights from ADVANCE. American Heart Association Scientific Sessions. Orlando, USA, November 2009.

Cardiovascular risk in Australians and Indians: lessons from comparative studies. 6th Indo-Australian Biotechnology Conference. Hyderabad, India, September 2009.

Co-morbidities and risk factors for coronary disease in Indigenous populations. Cardiac Society of Australia and New Zealand Indigenous Cardiovascular Health Conference. Sydney, Australia, August 2009.

Update on polypill trials. 57th Annual Scientific Meeting of the Cardiac Society of Australia and New Zealand. Sydney, Australia, August 2009.

Time to ditch blinded endpoint adjudication? 57th Annual Scientific Meeting of the Cardiac Society of Australia and New Zealand. Sydney, Australia, August 2009.

Blood pressure and blood glucose control in diabetes. 57th Annual Scientific Meeting of the Cardiac Society of Australia and New Zealand. Sydney, Australia, August 2009.

Dr PS Rao Annual Oration – Implementing new paradigms for cardiovascular disease prevention. XIV Annual Meeting of the Cardiological Society of India (Andhra Pradesh Chapter). Vijayawada, India, July 2009.

DAVID PEIRIS

Monitoring and clinical systems in primary care. Aboriginal Health & Medical Research Council Action for Health Conference. Sydney, Australia, September 2009.

Chronic care in the primary health sector – will COAG help? Cardiac Society of Australia and New Zealand Indigenous Cardiovascular Health Conference. Sydney, Australia, August 2009.

VLADO PERKOVIC

Blood pressure management in dialysis patients. Canadian Society of Nephrology Annual Meeting. Montreal, Canada, May 2010.

Recent clinical trials in home and extended hours haemodialysis. 3rd Australia and New Zealand Home Therapies Workshop. Brisbane, Australia, February 2010.

Which marker, what risk? Australasian Clinical Nephrology Symposium. Melbourne, Australia, August 2009.

JULIE REDFERN

A national framework for ongoing cardiovascular disease risk reduction. 6th Health Services and Research Policy Conference. Brisbane, Australia, November 2009.

Implementation science. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

Cardiac rehabilitation – moving forward. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

Community care is better than hospital management – debate. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

Cardiac rehabilitation by CHOICE. Victorian Cardiac Rehabilitation Coordinators Conference. Melbourne, Australia, August 2009.

Secondary prevention and patient choices. Cardiac Society of Australia and New Zealand Annual Scientific Meeting. Sydney, Australia, August 2009.

Exercise prescription for cardiac patients. Australian Cardiac Rehabilitation Association Conference. Sydney, Australia, August 2009.

KATHARINE SCRIVENER

An observational study of mobility outcomes for 100 stroke survivors. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

TERESA SENSERRICK

Driver education in the community. Road Safety Research, Policing & Education Conference. Sydney, Australia, November 2009.

CATHIE SHERRINGTON

Development of the Prediction of Falls In Rehabilitation Settings Tool (Predict_FIRST): a prospective cohort study. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

Hip fracture rehabilitation: update on the evidence and next steps. Enhancing Mobility after Hip Fracture Symposium. Vancouver, Canada, October 2009.

What works in exercise to prevent falls and injuries? Australian Osteopathy Association Conference Week. Sydney, Australia, October 2009.

Physical activity in people aged 40-65: implications for an ageing population. Queensland Department of Health. Talk to clinicians and health promotion staff. Brisbane, Australia, June 2010.

MARK STEVENSON

Validation of the Vietnam mortality study. Statistics New Zealand and the Australasian Mortality Data Interest Group Combined Meeting. Wellington, New Zealand, December 2009.

Driven to distraction: road safety research for 2020. Australasian College of Road Safety National Conference. Perth, Australia, November 2009.

Road safety 2020: smart solutions, sustainability, vision. Australasian College of Road Safety National Conference. Perth, Australia, November 2009.

COLMAN TAYLOR

Research in progress – the cost and benefit of helicopter emergency medical services. Emerging Health Policy Conference. Sydney, Australia, August 2009.

Helicopters – cost effective? South West Area Network XVII Trauma Conference. Liverpool Hospital. Sydney, Australia, July 2009.

ANNE TIEDEMANN

The development of a brief performance-based fall risk assessment tool (QuickScreen) for community-dwelling older people. Australian Physiotherapy Association Conference Week. Sydney, Australia, October 2009.

Predictors of adherence to a supervised exercise program in older community dwelling people. 7th National Physical Activity Conference. Brisbane, Australia, October 2009.

FIONA TURNBULL

Lowering blood pressure to protect against cardiovascular disease: does baseline blood pressure matter? 31st Annual Scientific Meeting of the High Blood Pressure Research Council of Australia. Sydney, Australia, December 2009.

Hospital quality improvement initiatives in the management of acute coronary syndromes: the CPACS experience. 20th Great Wall International Congress of Cardiology. Beijing, China, October 2009.

Cardiovascular risk management among female and male patients in Australian General Practice: the AusHEART study. 57th Annual Scientific Meeting of the Cardiac Society of Australia and New Zealand. Sydney, Australia, August 2009.

JACQUI WEBSTER

Getting serious about salt in the Pacific. World Health Organization Pacific Island Non-communicable Disease Forum. Nadi, Fiji, June 2010.

Salt reduction in the Western Pacific Region: baseline situational assessment. World Health Organization Western Pacific Regional Office Forum on Salt Reduction in the Region. Singapore, June 2010.

Getting the labeling right for salt. Salt in the diet: the elephant in the room: why health professionals needs a shake-up. Symposium hosted by the Australian Academy of Science and the Nutrition Society of Australia. Sydney, Australia, August 2009.

A novel electronic decision support system to assist GPs in cardiovascular disease risk management. Pfizer Cardiovascular Lipid Forum. Sydney, Australia, July 2009.

JADE WEI

Genetics of ICH in INTERACT2. 7th International Stroke Genetics Consortium Workshop. Edinburgh, UK, June 2010.

Comparison of recovery trajectories and prognostic indicators for ischemic and hemorrhagic stroke in China: the ChinaQUEST registry study. XVIII European Stroke Conference. Barcelona, Spain, May 2010.

Secondary prevention of ischemic stroke in urban China. XVIII European Stroke Conference. Barcelona, Spain, May 2010.

MARK WOODWARD

Cardiovascular epidemiology in Asia and Australasia. Columbia University Seminar. New York, USA, October 2009.

The Asia Pacific Cohort Studies Collaboration and its relevance to public health. The Hong Kong Public Health Forum. Hong Kong, September 2009.

From risk factor to prognostic factor: when association is not enough. University of Glasgow Seminar. Glasgow, UK, September 2009.

Current role of hsCRP in cardiovascular risk prevention. 3rd East Meets West Cardiology. Pattaya, Thailand, August 2009.

JUPITER: extra gravity or spin? 3rd East Meets West Cardiology. Pattaya, Thailand, August 2009.

We don't have the tools to accurately deal with CVD in women. 3rd East Meets West Cardiology. Pattaya, Thailand, August 2009.

Where to draw the line for abdominal obesity: evidence from international data. Joint Statistical Meeting of the American Statistical Association. Washington DC, USA, August 2009.

Interpreting studies of predictor variables and clinical outcomes: what does having a risk factor really mean? XXII Congress of the International Society on Thrombosis and Haemostasis. Boston, USA, July 2009.

YANGFENG WU

Long term benefit of salt substitution. World Congress of Cardiology Scientific Sessions. Beijing, China, June 2010.

A randomized controlled trial on effect and cost-effectiveness of low cost, simplified, primary healthcare provider-based cardiovascular disease prevention and management program in rural China. World Congress of Cardiology Scientific Sessions. Beijing, China, June 2010.

The rising burden of cardiovascular diseases in China. World Congress of Cardiology Scientific Sessions. Beijing, China, June 2010.

Salt reduction in China. World Congress of Cardiology Scientific Sessions. Beijing, China, June 2010.

Utility of subclinical CVD measures in stratifying CVD risk. World Congress of Cardiology Scientific Sessions. Beijing, China, June 2010.

LIJING YAN

Use of polyphill in community for primary prevention of CVD. World Congress of Cardiology Scientific Sessions. Beijing, China, June 2010.

SOPHIA ZOUNGAS

Association of glycaemic exposure with macrovascular and microvascular complications of type 2 diabetes: ADVANCE prospective observational analyses. 20th World Diabetes Congress. Montreal, Canada, October 2009.

How to read a report of a randomized controlled trial. Australian Atherosclerosis Society. Melbourne, Australia, October 2009.

The efficacy of lowering HbA1c with a gliclazide modified release-based intensive glucose lowering regimen in the ADVANCE trial. 20th World Diabetes Congress. Montreal, Canada, October 2009.

Arterial function: metabolic influences and therapies. International Society for Vascular Health. Melbourne, Australia, October 2009.

ADVANCE-ON: a post-trial observational study. 20th World Diabetes Congress. Montreal, Canada, October 2009.

Targeting lipid fractions other than LDL to improve cardiovascular risk in diabetes: what does the evidence say. World Congress on Oils and Fats and the 28th International Society of Fat Research Congress. Sydney, Australia, September 2009.

Glycaemic exposure and the risks of vascular complications and death in patients with type 2 diabetes: ADVANCE prospective observational analyses. Annual Scientific Meeting of the Australian Diabetes Society. Adelaide, Australia, August 2009.
