

Strengthening Health Evidence: Towards a Global Standard on Sex and Gender in Research Design

79th World Health Assembly Side Event

Monday 18th May

18:00 – 20:00 CEST

**Hotel President Wilson
Quai Wilson 47, 1211, Geneva**

This panel discussion and workshop opens the conversation on designing a **global-level standard for sex and gender equity in medical research**.

Join us to consider the **opportunities, challenges and next steps** for designing a practical tool for addressing the **sex and gender data gap** in health across diverse cultural contexts.

The event will conclude with a **drinks reception and networking opportunity**.
